

SHYON SHIRI

San Jose, CA | shyon2001@gmail.com | 408-510-9055 | www.shyonshiri.com

SUMMARY

Designer and AI training specialist who applies human centered design practice to generative AI work. Evaluate multimodal model outputs against detailed rubrics, design and refine prompts that test model reasoning, and translate dense, frequently updated guidelines into decision rules other people can follow. Background in graphic design, motion and photography direction, and client facing project delivery, with hands on prototyping across web, 3D, and fabrication.

SKILLS

Design and Research: Human centered design, user testing and iterative client review, rapid prototyping, branding, motion graphics, photography and videography direction, information design

Generative AI: Multimodal model evaluation, prompt engineering and prompt adherence analysis, failure mode and edge case analysis, comparative output review, rubric based quality assessment

Software: Adobe Creative Suite, Blender, Final Cut Pro, Visual Studio Code, Microsoft 365, Google Workspace

Development and Systems: HTML, Cyberduck, Arduino IDE, Microsoft Dynamics NAV, Microsoft Dynamics 365 Business Central

Prototyping and Fabrication: 3D printing, CNC laser cutting, welding, sculpting, glass fabrication

PROFESSIONAL EXPERIENCE

AI Training Specialist and Reviewer, Handshake, Remote | May 2026 to Present

- Train and evaluate multimodal AI systems across image, video, audio, and text workflows, assessing outputs for prompt adherence, semantic accuracy, coherence, technical quality, and alignment with task specific criteria.
- Design, refine, and test prompts that measure model comprehension, reasoning, constraint handling, and response consistency, then author corrected ground truth where the model fails.
- Review and quality check other annotators work against a five point rubric, return submissions with written corrections, and resolve audit escalations, coaching a distributed team toward a consistent standard.
- Identify failure patterns, edge cases, and quality defects in generated content and turn evolving evaluation guidelines into repeatable decision rules that speed up and stabilize team output.

ERP Specialist, PharmaCann, Remote and San Jose, CA | Nov 2023 to Jan 2025

- Optimized product listings and promotional data across five states in Microsoft Dynamics NAV and Dynamics 365 Business Central, coordinating corrections across multiple departments.
- Maintained inventory and system data accuracy by investigating discrepancies, processing adjustments, and validating records to preserve ERP integrity across multi state operations.

Multimedia Marketing Coordinator, Real Estate Experts, Campbell, CA | Nov 2021 to Feb 2023

- Designed flyers, promotional materials, and campaign assets for residential listing campaigns, working to client specifications through revision cycles.
- Planned, scheduled, and directed property photography and videography for listing promotion and social media.
- Coordinated office operations including records organization and high volume direct mail production for open house campaigns.

SELECTED PROJECTS

Real Estate Development Visualization, Freelance Client Project, Remote | Aug 2026

- Developed photorealistic 2D development concepts over aerial site photography, integrating retail, fuel, EV charging, vehicle, landscape, lighting, and signage elements to client specification.
- Held architectural consistency, perspective, site boundaries, and accurate lighting across iterative client review cycles, delivering high resolution presentation visuals.

Digital Portfolio, Undergraduate Capstone, San Jose State University | Sep 2025 to Dec 2025

- Designed and built a full stack portfolio site from scratch in custom HTML and deployed it through Cyberduck to present graphic design, digital media, and multidisciplinary work.

EDUCATION AND CREDENTIALS

Bachelor of Arts in Art, Graphic Design. San Jose State University, San Jose, CA. December 2025.

Prompt Engineering Certificate, Coursera.

Additional experience: Production Associate, Tesla, Fremont, CA (2021). Sales Associate, Men's Wearhouse, Morgan Hill, CA (2020 to 2021).
